Registration, Lodging and Directions

This training was scheduled in December but cancelled due to bad weather. Instead of having a choice of two days, this time we are able to have the training in just one day because there is plenty of room at the Frankfort Convention Center. Registration is mandatory.

If you registered in December, for your convenience to not go through the registration process again, we ask that you send an email to Chris.Harbeck@ky.gov and affirm if you will or will not attend.

For registration, lodging, and directions please go to DAIL's website:
